

REMARKS

Reconsideration and allowance are respectfully requested. Claims 1-33 are pending.

The Examiner did not consider the IDS filed on August 20, 2003 since it was identified by the incorrect application number. An IDS having the correct application number is re-submitted herewith.

Claims 1-33 stand rejected on the ground of non-statutory obviousness-type double patenting. A Terminal Disclaimer is attached to remove the rejection.

All objections and rejections having been addressed, it is respectfully submitted that this application is in condition for allowance and a Notice to that effect is earnestly solicited.

Respectfully submitted,
